**Check out
Purdue Extension
The Education Store**

We continue to expand our offerings of information to match the specific needs and challenges of our Extension Clientele.... download free publications, or purchase CD's that provide comprehensive resources/information to specific issues.

**Questions about
Gardening?**

We now have a Special Section for easy access to online [Gardening Resources](#)

**Looking for Financial
Information?**

We now have a Special Section for [Financial Resources](#)

If you are looking for something more...call us 1-888-398-4636 or email us at [PETES](#)
