Announcements

Watch for this!

**Soon to be released
Corn and Soybean
Field Guide 2010**

The 2010 edition will include updated pesticide tables, as well as new photographs for easier weed, insect, disease, herbicide injury, and nutrient deficiency identification.

**Attention: County
Educators and
Support Staff**

Please remember to hit your "Submit" key when placing an order through ED (Education Database). This moves your order to our database for processing.

Any questions can be directed to [Kathy Lester](#) at The Education Store!

Happy Holidays!
