Course Description

This seminar is designed to assist students majoring in one of the Agricultural Economics Department options in making decisions about courses, careers, and other choices. **It is a lecture seminar where attendance is required.** It is a required course for all majors in the Department of Agricultural Economics and is considered to be important in assisting students with planning for their future employment opportunities.

Objectives:

- To assist sophomore, transfer, and CODO students in developing a **plan of study to meet graduation requirements and complement their general career objective.**
- To provide students a forum to **obtain industry knowledge from industry and faculty professionals** in regards to professional and personal development.
- To introduce students to opportunities provided through the Department of Agricultural Economics, College of Agriculture, and Purdue University.
- To prepare students for professional and personal success - **resume, interviewing skills, social media, networking, business ethics, and professional etiquette.**

Course Fee

- There is no longer a required AGECE 298 Handbook since advising resources and material are on-line.
- There is a \$35 fee for students to complete the MBTI on-line and to receive an MBTI book. Checks (written out to David Widmar) or cash (must be in envelope with your name on front) is due by September 21st and due to myself (in class).

Purdue Honors Pledge: As a boilermaker pursuing academic excellence, I pledge to be honest and true in all that I do.
Accountable together - we are Purdue

Academic integrity is one of the highest values that Purdue University holds. Individuals are encouraged to alert university officials to potential breeches of this value by either emailing integrity@purdue.edu or by calling 765-494-8778. While information may be submitted anonymously, the more information that is submitted provides the greatest opportunity for the university to investigate the concern.

EMERGENCY PREPAREDNESS SYLLABUS ATTACHMENT

EMERGENCY NOTIFICATION PROCEDURES are based on a simple concept – if you hear a fire alarm inside, proceed outside. If you hear a siren outside, proceed inside.

- **Indoor Fire Alarms** mean to stop class or research and **immediately evacuate** the building.
 - Proceed to your Emergency Assembly Area away from building doors. **Remain outside** until police, fire, or other emergency response personnel provide additional guidance or tell you it is safe to leave.
- **All Hazards Outdoor Emergency Warning Sirens** mean to **immediately** seek shelter (**Shelter in Place**) in a safe location within the closest building.
 - “Shelter in place” means seeking immediate shelter inside a building or University residence. This course of action may need to be taken during a tornado, a civil disturbance including a shooting or release of hazardous materials in the outside air. Once safely inside, find out more details about the emergency*. **Remain in place** until police, fire, or other emergency response personnel provide additional guidance or tell you it is safe to leave.

**In both cases, you should seek additional clarifying information by all means possible...Purdue Emergency Status page, text message, email alert, TV, radio, etc...review the Purdue Emergency Warning Notification System multi-communication layers at http://www.purdue.edu/ehps/emergency_preparedness/warning-system.html*

EMERGENCY RESPONSE PROCEDURES:

- Review the **Emergency Procedures Guidelines**
https://www.purdue.edu/emergency_preparedness/flipchart/index.html
- Review the **Building Emergency Plan** (available on the Emergency Preparedness website or from the building deputy) for:
 - evacuation routes, exit points, and emergency assembly area
 - when and how to evacuate the building.
 - shelter in place procedures and locations
 - additional building specific procedures and requirements.

EMERGENCY PREPAREDNESS AWARENESS VIDEOS
