

PURDUE UNIVERSITY

*Keeping the Business
in Your Family*
A Family Business Workshop

Developing the Next
Generation of Management
Purdue University
Starting Noon March 3rd, 2016
Ending 5pm March 4th, 2016

Keeping the Business in Your Family

As you look towards the future of your business operation, there are many issues to consider. One issue of extreme importance is the development of a son, daughter, or partner to be the future manager of your business. To help you begin development of your management succession plan, the Department of Agricultural Economics at Purdue University will host a Family Business Workshop on March 3-4, 2016, on the Purdue campus.

This workshop provides information and work time to develop answers for many issues involved with bringing a new manager into the operation. The workshop provides an opportunity for you, and your son, daughter, or partner to begin making decisions together about the future of your business operation. This conference is also a wonderful opportunity to spend a weekend with a family member who is attending Purdue.
