TEAMWORK

Not every member of the pack aspires to be the boss. Some prefer to be steady hunters, caretakers or scouts. But each has a crucial role to play as part of the TEAM.

TEAMWORK

Every one has a role. Just as in the wolfpack, the leader will drop back and another member of the pack will take over. The same is true in a high functioning team.
TEAMWORK

Just as a pack embraces new members, we need to embrace new partners. The program gains new perspectives, new expertise and new opportunities.

COMMUNICATION
Practicing safe cooking methods in the kitchen is key to protecting you and your family. How safe is your kitchen? Take this quiz to see how much of a risk you have for food borne illnesses at home. http://homefoodsafety.org/quiz. Give this post a “like” once you do.

When selecting snacks, remember, choose healthy! Try adding fruits and vegetables to your family's snack list. Why, you get MORE of what your body needs for good health. Check out the 100 Calorie Comparison Chart at http://www.fruitsandveggiessmorematters.org/100-calorie-comparison to find healthy (and filling) snack options for your family! Let us know your favorite healthy snack.
